Highlights

The professional cleaning station A99.CLSTA.1300 in the new design is intended for wall mounting and therefore finds space in every room. The scope of delivery includes a cleaning fluid (A99CLSTA1303) with a suitable plastic dispenser (A99CLSTA1304) and wood-free cleaning cloths (A99CLSTA1302) that are specially designed for the properties of laser protection filters. The combination of these two products enables gentle and thorough cleaning and guarantees a long service life for the glasses and laser protection filters.

Dimensions: W: 27cm x H: 26cm x D: 9cm

The accessories for the previous cleaning station (A99.CLSTA.1200) can be found here: cleaning fluid (A99CLSTA1203), plastic dispenser (A99CLSTA1204) and wood-free cleaning cloths (A99CLSTA1202)
